

[Life Day Celebration II] Part 2: What If? Store Item

- **Source universe:** The Matrix
- **Item name:** Antrech SEP-12 "Lightning Rifle" Heavy Blaster
- **Item category:** Weapon (Blasters) / Special Blaster
- **Proposed shop:** Celebration Store
- **Proposed rarity:** Legendary
- **Item description:**

The Antrech SEP-12 "Lightning Rifle" Heavy Blaster is an experimental weapon that is only known to exist in prototype form. Unlike a traditional blaster that fires distinct bolts of energy, this weapon has been designed to fire a continuous stream of energy. Designed to be an effective counter measure against droids, it was also demonstrated to be effectual against organics with Human-like central nervous systems. Eye protection is recommending while operating this weapon.

- **Justification:** This is a weapons from the Matrix films. For adaption into Star Wars, I chose Antrech Arms (a subsidiary of BlasTech Industries) as they're known for making "niche products". The name, SEP-12, is a play on the M1A2 SEP Abrams main battle tank in honor of the Matrix character Tank.
