

Kyber Gloves

Type: Technology

Category: Technology

Utilis Innovation

Size: 2 Slots

Rarity: **Legendary**

Base Price: 120,000

Description: A set of highly advanced techno-gloves whose systems are powered by 6 unique Kyber Crystals. These tools are not weapons, and were designed to assist with intricate and delicate work. These gloves are able to project holographic images to guide and/or assist in various jobs such as crafting, sciences, or medicine. They are able to create directed attractive and repulsive forces to push and pull other materials or tools to them. They can also be used as a defensive tool, creating energy shields to protect the wearer.

Purchase Restrictions: Elder 1

** Inspired by the Infinity Gauntlet from the Marvel Universe, but retrofitted to be a Star Wars based tool and not a cosmic weapon.*
