

The Veiled Garden of Serenity

Selen, Dajorra System, Unknown Regions

Clan Arcona

The Veiled Garden of Serenity is a secretive location in the heart of Selen's densest jungles. It is a tranquil enclave untouched by the rush and clamor of the galaxy. It is said that it is a spiritual refuge where Arcona's Force users commune with the Force, gain clarity, and seek guidance for their paths. Not many know of its exact location due to the protective enchantments cast by the Clan's powerful Force users. Only the members of Arcona are allowed to enter, and even then, only a few have ever experienced its tranquility.

The Garden is marked by its verdant, towering trees, glowing under the influence of the Force. A serene river winds through the Garden, reflecting the gentle glow of the vegetation. Force-sensitive members meditated, drawing upon the spiritual energy from the tree.

While shrouded in mystery, the Veiled Garden of Serenity is a testament to the harmonious connection between the Arconans and the Force. It is not just a location but a symbol of the Clan's spiritual identity. Exploring this site would offer a profound understanding of Clan Arcona's foundation and its unique connection with the Force.

The Garden is a place of peace and tranquility where one can escape the hustle and bustle of everyday life. The trees are said to be able to heal the sick and injured, and the river is said to be able to cleanse the soul. The Heart of Arcona is said to be the source of all the Garden's power, and it is here that the most powerful Force users of the Arcona come to meditate and train.
