

Loosely set to [fight fire with fire - Metallica \(instrumental\)](#)

We came through the portal  
To kill the Matthias Westland  
And prove he is Mortal  
Where is the Command

Evant's chasing Cantor  
Howies fighting an AI  
Idris Is spewing banter  
Turel sounds the war cry

Chorus:  
This is where we fight  
This is where you die  
You bit off more than you should  
When you attacked the Brotherhood

Verse 2:  
Marching on the fortress  
Dacien sees the chain  
Where's Zxyl to support us  
Thru the war upon this plane

The Clans are drawing near  
To fight the crystal man  
The beating will be severe  
Justice can't be outran

Chorus  
This is where we fight  
This is where you die  
You bit off more than you should  
When you attacked the Brotherhood
