[AUDIO BEGINS]

[00:00:01] **Ky'nara** : "Honey. Baby. I know—"

[00:02:13] **Noise detected** : 3.1 seconds of snarling and pawsteps, starting further off but approaching the comm unit. Panicked breathing.

[00:05:14] **Ky'nara** : Whispering, speed of speech quickens— "Jasa, baby I need you to listen to mommy. I know there are some scary sounds going on."

[00:10:01] **Ky'nara** : "Remember how mommy went to help her friends? How mommy said she'd be right back?"

[00:27:52] **Ky'nara** : "I'm so sorry baby, I don't think mommy's going to be able to make it back home."

[00:27:58] **Noise detected** : 2.1 seconds of cauterwauling, in the far-distance but moving closer to audio device

[00:28:04] **Ky'nara** : "But it's going to be alright. You and daddy are going to be just fine."

[00:45:19] **Ky'nara** : Voice wobbling- "Mommy loves you and daddy so much. I-"

[00:45:20] **Unnamed Caxquette** : "Come. Friend. Mother calls, we help. Come. Comecomecomecomecomecomecomecome."

[01:04:58] **No Noise detected** : 30.11 seconds of silence

[01:35:09] **Noise detected** : 2.1 seconds of shuffling, fabric over comm unit

[01:56:01] **Ky'nara**: Mumbled, from mid-distance, altered mental state obvious from voice profiling- "Feed. Breed. Kill. Feed. Breed. Kill. Mother. Mother."

[01:56:06] **Noise detected** : 5.6 seconds of clattering, scraping, feel shuffling. Animal-like huffing.

[02:02:13] **Unnamed Caxquette** : "Yes. To Mother. To help. To Kill.."
