## “Sith Pop”

Wake up in the morning feelin' like D. Vader (All too easy)  
Pull my black robes on and I'll see ya' later (As you wish)  
Before I leave switch my saber to a red from a blue  
'Cause when you fall from the Light, that's what you're s'posed to do

I'm talking tattoos on our face, face  
Force lightning all over the place, place  
Magic from the old Sith race, race

And then it's anger coming from fear, fear  
Hatred all over here, here  
Darkness consuming me...

[CHORUS]

Sith Pop, hit the drop  
Dark Side, turn my power up  
Tonight, Imma fight  
Every Jedi of the Light  
Sith Pop, on the clock  
But the killing don't stop no  
Whoa-oh oh oh  
Whoa-oh oh oh

Sith Pop, hit the drop  
Dark Side, turn my power up  
Tonight, Imma fight  
Every Jedi of the Light  
Sith Pop, on the clock  
But the killing don't stop no  
Whoa-oh oh oh  
Whoa-oh oh oh

Ain't got a care in the world, cause my vision is clear  
Ain't got no smile on my face, cause it's affixed in a sneer  
Now the Jedis showing up tryin' to be big talkers  
But I cut 'em all in two, cause they're no Skywalker

No more meditating at the pool (pool)  
Trying to keep my cool (cool)  
Master keeping me in stupid school (school)  
Instead I'm going hard as I can (can)  
Lightsaber in my hand (hand)  
Lightsaber in my hand (hand)  
Lightsaber in my -

[CHORUS]

Sith Pop, hit the drop  
Dark Side, turn my power up  
Tonight, Imma fight  
Every Jedi of the Light  
Sith Pop, on the clock  
But the killing don't stop no  
Whoa-oh oh oh  
Whoa-oh oh oh

Sith Pop, hit the drop  
Dark Side, turn my power up  
Tonight, Imma fight  
Every Jedi of the Light  
Sith Pop, on the clock  
But the killing don't stop no  
Whoa-oh oh oh  
Whoa-oh oh oh

[BRIDGE]

Peace is a lie  
The Force is mine  
My rage, it pounds  
Yeah, I got it  
You're in my grasp  
Put your hands up  
Don't make no sound  
Yeah, I got you

Peace is a lie  
The Force is mine  
My rage, it pounds  
Yeah, I got it  
You're in my grasp  
Put your hands up  
Put your hands up

Now the evil don't start 'til I walk in

[CHORUS]

Sith Pop, hit the drop  
Dark Side, turn my power up  
Tonight, Imma fight  
Every Jedi of the Light  
Sith Pop, on the clock  
But the killing don't stop no  
Whoa-oh oh oh  
Whoa-oh oh oh

Sith Pop, hit the drop  
Dark Side, turn my power up  
Tonight, Imma fight  
Every Jedi of the Light  
Sith Pop, on the clock  
But the killing don't stop no  
Whoa-oh oh oh  
Whoa-oh oh oh
