Recorded Personality Responses:

1) What types of activities do you enjoy?

"I enjoy reading and fighting."

2) What are you looking for in a partner?

"I am looking for a nice Mandalorian girl with dark hair and blue eyes, seriously though she has a blaster to my head and I am being forced to record this to amuse her. She is telling me to say that I wish to enjoy long walks, drinks, and longer sparring matches with her and that if I look anywhere but in the eyes of one of those dirty Jedi girls again she is going to pistol whip me so hard that I will be pulling power cells out of my skull for a week."

3) Do you enjoy your current job?

"It is a job, it allows me to fulfill my needs. Ok ok I will say it, jeez woman lay off with the threats. It allows me to spend time with the one I care about."

4) If you could have a dream vacation with someone what would it be?

"A week on Coruscant with all the modern conveniences. Well I am happy in the place I am but she says if I put that on here she will shoot me in the knee."

5) If you could live anywhere in the galaxy where would it be?

"I am not going to say that." sounds of blaster shots in the background and a woman yelling.

"Anywhere I can spend quality alone time with my special girl.

Someone send a medical team, she shot me in the foot."
