Ode to Spring

Beautifully decorated eggs hidden
Under bushes and trees.
Nestled in open, colorful baskets, on
Needles and grass,
Individual candy rest on top.
Excited kids and kids at heart
Seek to find the eggs.
An egg found under an oak tree,
Near the fence, now
Decorates a child's basket.
Candy pushed to the side,
Hands gently place another egg
Into the growing basket.
Children giggle and run.
Kids count their loot as the
Spring sun starts to set for the night.
