

Blade Tavar's Shattered Ties Playlist:

1. Way of the Sword by Peter Roe:

<https://www.youtube.com/watch?v=jbszddcg1Es>

A great song depicting the thrill of battle and conflict. I love the title of the song as well as it captures how we are solving our problems with CNS.

2. Star Sky (Extended Remix) from Two Steps from Hell:

<https://www.youtube.com/watch?v=KgQCgqUe3LE>

It's over CNS. Goodbye.

Lyrics Excerpt:

Burn the page for me

I cannot erase the time of sleep

I cannot be loved so set me free

I cannot deliver your love

Or caress your soul so

Turn that page for me

I cannot embrace the touch that you give

I cannot find solace in your words

I cannot deliver you your love

Or caress your soul

3. Brotherhood by John Dreamer:

<https://www.youtube.com/watch?v=ILkvEc5TsNA>

This song depicts a brotherhood of people (CSP) going through the struggles of warfare together and hopefully winning in the end.

4. Strength of a Thousand Men from Two Steps from Hell:

<https://www.youtube.com/watch?v=qwJj2EpC8vg>

In the thick of battle, everyone fights for their life.

5. A Hero Will Rise by Armen Hambar:

<https://www.youtube.com/watch?v=ICnjiCSoedw>

At some point during the war, a hero will rise. Or many...

6. This is my World by Peter Roe: <https://www.youtube.com/watch?v=dIlFq6SkhIU>

A hero grabs the reins of destiny and leads boldly onward to victory.

7. FINAL MISSION-QUANTUM BURST from Gundam 00 Movie OST:
<https://www.youtube.com/watch?v=reojXF7dZ8w>
Epic Final Space Battle. Need I say more?
8. World on Fire feat. Patti Hermoso by Eddie Hermoso:
<https://www.youtube.com/watch?v=2yOzPTBMk7g>
I'll let the lyrics speak for themselves.
Lyrics Excerpt:
*From these cinders, rise, and
With these flames we'll carve our destiny.
Aim for visions yet unseen
Rage on!
Run wild!
Fly free!*
9. Victory from Two Steps from Hell:
<https://www.youtube.com/watch?v=KbOo2Kvngdg>
Victory in its essence. Wonderful, yet hard fought. Exalted Victory!
10. End of My Journey by John Dreamer:
<https://www.youtube.com/watch?v=9oPRvIhOLSk>
Every war must come to an end. A lot of feelings come with it. This speaks to it so beautifully.
