

[ARC-COU] Halloween Horror Nights: Line Poem

Walking through the home of
Arcona
Knights and Equities alike, wander around
Internal debates as clear as the day
Not knowing the future or the
Grandmasters plans

Not knowing his plans, is a great concern
Information is needed to thwart
Grandmaster Pravus and his legions of many
Help is needed
To emerge from this crisis
Many will fall but
Arcona will remain strong
Riven in two, the Brotherhood may become, but
Eternal is Arcona and its allies Odan-Urr
