

The Feeling of Guidance

A Submission to the Competition: "CDW: The Fool"

Happy
To see the path
No longer feeling alone
Master is always by my side
Guiding

Balance
Both dark and light
Let go of rage and pain
Toe the line between the two sides
Neutral

Tempting
To lean one way
But trouble will follow
Do not give in to the urges
Let go

Stronger
Ere I was weak
Power dwelling within
Rage slowly building deep inside
Held back
