Physical Description		Preferred Weapons
Physical Description of character. Can include: * Bald(shaven), yellow eyes, and red-orange skin color * Rarely seen outside of his Iron Legion Armor, when not wearing his helmet, Byan will be found wearing his traditional Kaleesh mask. * Lean and muscular from his years of service in the Sadowan Armed Forces, though you wouldn't know as he's never seen outside his armor.		* Reynolds DE-21 Slugthrower Pistol * Lig Sword * BlasTech E-22 Blaster Rifle * Static Pike
General Aspects		
Due Diligence When Byan does things, he makes sure everything is done correctly, no matter how long it takes. This means there are frequent delays in Byan's work, but it's usually done right, at least.	We Must Protect This House! Byan is devoutly loyal to his House or Clan and will follow orders unquestionably. He would sacrifice his own life to protect his House or Clan from harm. This attitude, however, often clouds his ability to see things from an arbitrary or objective point of view and he can come off as extremely narrow-minded.	
Personality Aspects		
Universal Soldier Byan has a military background, and draws upon his experience to tackle the obstacles in his life. This makes him decisive, efficient, and fearless; provides him with a strong sense of duty and strength; which tends to influence his ability to fight and lead. However, a rigid mind is less compassionate towards individuals and less imaginative, and Byan sometimes risks appearing callous, relatable, or incapable of compromising.	Straight Shooter Byan tells it like he sees it, when he thinks it; and he doesn't try to sugar coat what he says.	
Combat Aspects		
Once More Unto The Breach Born with an intractable will and limitless courage, Byan will stand in the face of insurmountable odds and never retreat. Despite the fact that such acts of heedless bravery are inspiring and will sometimes result in victories worthy of song, just as often they result in his allies getting wounded or killed.	Dirty Fighter When it comes to a fight, some like to posture, some like to act tough, some like to dance around and go through all sorts of fancy footwork. Byan Krant? Byan doesn't bother with exotic battle stances, intricate maneuvers, or super-secret tactics. Byan, when cornered into a fight, prefers the ancient technique of a good kick to the nuts. And if	

	that won't work, either because the enemy is a woman or has balls of steel, Byan isn't beyond pulling a few more cheap tricks out of the bag. Granted, Byan won't be winning any medals for nobility or any prestige for a unique fighting style or a superb maneuver, but Byan will still be winning, the best and most dirty way he knows how.

Notes/Extra

A Warhost soldier that has been around for a long time. He has seen many fellow troopers killed in action, so he decided to pass on what he has learned about being a good soldier to all new recruits and a few fellow soldiers who are in need of "additional training" from either a disciplinary standpoint or from actual needing to learn something.
