

Satele Shan Bells
To the tune of Jingle Bells

Flying through the air
In a one seat Tie Defender
O'er the fields of Daleem
Shooting all the way
Bells on Sky Breach blare
Making Jedi bright
What fun it is to run and gun
A slaying song tonight

Satel bells, Satel bells
Jingle all the way
Oh what fun it is to fly
In a one seat Tie Defender, hey
Satel bells, Satel bells
Jingle all the way
Oh what fun it is to fly
In a one seat Tie Defender
