This bitterness led him to kill his elder brothers in a fit of rage, far out of character within the Pau'an society. Cast out, and with no hope of redemption within his own people, he was prime pickings for the machinations of the Capital Enterprises. He has rapidly risen in the entry level ranks due to his skilled upbringing in business and his enterprising nature. A shrewd and cunning bureaucrat, he will stop at nothing to gain a position of prestige and power, and his loyalties are to himself only.
