

Ganssal Privateer Scoundrel Weequay Male, Left Handed Height: 1.7m / 5'5"ft. , Weight: 60kgs / 132lbs		
Physical Description Ganssal is a relatively short Weequay with ashy red skin and grey eyes that never stop moving. The Weequay has a constant hunch in his back reducing his height even more. Ganssal does not have any hair on his head. Multiple scars mar his head including one running diagonally accross the top of his head and one roughly two centimetres in diameter on his left cheek.		Loadout * Dish Towel * Datapad * Vibroblade * Vibroblade * Blaster
General Aspects		
Mad World (Prewritten) Ganssal has a sick sense of humor, viewing the world through dark colored glass. He has a biting sense of black humor, often laughing at things that most people would find reprehensible or down right soul crushing. As a result, those that are not used to his brand of humor often find Ganssal downright unbearable or overly morbid. At the same time, his cynicism can be useful for seeing through the optimistic altruism of those he encounters.		Dirty Rotten Scoundrel (Prewritten) Ganssal is a master of the 'tricks of the trade' - the cheating and stealing trade, that is. With a certain propensity and natural talent for stealth and thievery, Ganssal is a professional when it comes to crimes, from minor to major. Sometimes it is as simple as a few more favorable cards in a hand to a set of sticky fingers to something as big as a heist. Either way, Ganssal knows his way around a job. However, everyone is bound to get caught eventually, and reputations have a way of finding a way to bite you in the rear. . . not to mention those looking to extract a little vengeance.
Personality Aspects		
Easy Going 'Till the Fight Starts (Prewritten) While generally laid back and more than happy to offer a quip of sarcasm, Ganssal's entire demeanor changes once combat begins. he becomes focused and quiet, with his smile replaced with a look of grim determination.		Just Plain Selfish (Prewritten) Ganssal rarely acts without an alternate motive when it comes to lending aid or acting in a situation. Be it greed, power, or something else, almost undoubtedly Ganssal is after something more than what he says - though sometimes Ganssal is even blunt enough to admit to it. While his self-serving attitude comes as a boon, usually, to his survival and pocketbook, his relationships are often strained by his outright selfish attitude.
Combat Aspects		

<p>It's A Trap</p> <p>Ganssal has an uncanny knack for identifying traps and alerting others to them. Now, if only he could consistently do it BEFORE the trap goes off...</p>	<p>Dirty Fighter (Prewritten)</p> <p>When it comes to a fight, some like to posture, some like to act tough, some like to dance around and go through all sorts of fancy footwork Ganssal? Ganssal doesn't bother with exotic battle stances, intricate maneuvers, or super-secret tactics. Ganssal, when cornered into a fight, prefers the ancient technique of a good kick to the nuts. And if that won't work, either because the enemy is a woman or has balls of steel, Ganssal isn't beyond pulling a few more cheap tricks out of the bag. Granted, Ganssal won't be winning any medals for nobility or any prestige for a unique fighting style or a superb maneuver, but Ganssal will still be winning, the best and most dirty way he knows how.</p>

Notes/Extra

Ganssal is the man behind the Sand Pit. He may run the food and drink booth but it is less common knowledge that he also organizes the fights. Though Ganssal may come across as simple and care free, he is much more intelligent and conniving than he appears, there is never a time where he isn't working an angle or trying to further himself or his bank accounts.
