Description & Loadout	
Physical Description	Equipment/Loadout
<p>Navas is on the short side for her race. Her eyes are a vibrant purple that seem to see through to your core. Her jet black hair is mainly pulled up in a high ponytail and generally looks pristine, no matter what she does. She doesn't have any visible scars, though her long past belies that she has some hidden away.</p> <p>Hard work and years of training have given her an athletic build that she uses to its full extent. Navas adapts to the customs and attire of whatever planet she finds herself on.</p>	<ul style="list-style-type: none"> <li>• Equipment 1</li> <li>• Equipment 2</li> <li>• BlasTech DC-17 Blaster Pistol</li> <li>• Powered Spear</li> </ul>

General Aspects	
[Death to the Force]	[Strategist]
<p>Navas is a firm believer that the galaxy at large would be better off without the Force, those that command it, and those that follow them, mirroring the views of Liberation Front leader Rath Oligard. After watching the galaxy burn time and time again during his relatively young lifespan, Navas has devoted himself to eliminating any notion of the Force from the galaxy, starting with agents of the Dark Brotherhood.</p>	<p>Through a combination of preparing, studying, and analyzing, Navas creates detailed battle plans and tries to think two steps ahead of the enemy. At times, however, this can lead to Navas creating complicated schemes that can baffle less intelligent subordinates.</p>

Personality Aspects	
[All who gain power]	[False Idol]
<p>All who gain power are afraid to lose it, and Navas is no exception. Some use their power for good, some for evil;</p>	<p>People tend to reverently follow Navas's lead and look up to him in difficult situations. Whether through inspirational</p>

<p>Navas, however, knows that these are just points of view. She is on a quest for greater power, and uses all her skills and abilities to ensure her supremacy, regardless of the consequences.</p>	<p>behaviour, fear and manipulation, or belief and hope for a better future, they think that Navas genuinely believes what she does. This is all a clever facade, however, as Navas is not always as upstanding and respectable as her followers believe. She is no idol, but an opportunist who knows how to manipulate a crowd into bettering her own machinations.</p>

## Combat Aspects

[Always Prepared]	[Tiny, But Fierce]
<p>Sometimes the only way to prepare for the worst is to always expect it. Navas takes this philosophy one step further by never leaving home without accounting for every possible scenario she might expect to encounter. Navas tends to always have the right tool or item for a situation and has a habit of quietly and almost smugly presenting solutions before anyone even recognizes there is a problem. This foresight is far from infallible, however, and she often finds herself at a loss in situations that go beyond what she could have imagined. While incredibly practical and often a life-saver in a pinch, her perpetually pessimistic outlook on daily life can be a bit draining on more optimistic-inclined companions.</p>	<p>Navas works hard to maintain an image of fierce tenacity despite being of a smaller stature. To that extent, Navas has learned to not take jabs about her stature offensively, but to instead burn them quietly as fuel for her inner spirit. The flame that is sparked as a result is controlled by Navas's discipline of never overestimating her own abilities or those of her opponents. She has trained to fully utilize her size as an advantage when fighting larger opponents. She knows exactly how to leverage her weight to deliver the most effective takedowns or maneuvers. The effort to maintain this image can be draining at times, and when outmatched or overwhelmed, Navas becomes susceptible to a loss of spirit.</p>
