

Seize the Day
A Submission to the Competition:
Pro Bowl III Week 1 – Lyrics

Written by Reiden Karr (10106)

Here it comes, get ready for war
The Pro Bowl is knocking on your door
But have no fear
The elite is here

Team ARQ is here to play
We're the ones that will seize the day

Three teams enter, and it's Mortal Kombat
But we won't take any of that
Like the Highlander, there can be only one
We'll be the last team standing when it's all said and done

Team ARQ is here to play
We're the ones that will seize the day

Leading the helm is Arden, Quejo, and Raiju
Trying to beat us? There's nothing you can do
The other teams are gonna be torn asunder
Or wind up six feet under

Team ARQ is here to play
We're the ones that will seize the day
