

**Volcano:**

What do you call a man with no arms and no legs in the ocean?

Bob.

What do you call a man with no arms and no legs in front of the door?

Matt.

What do you call a man with no arms and no legs in a volcano?

Anakin Skywalker

**Lava & Ash:**

I used to lava you, but then you turned into a giant ash-hole.

**Fire:**

All's fire in love and war.

**High Ground:**

I never understood why Obi-wan didn't take the Deathsticks. If he smoked those, he'd always have the 'high' ground.

**Flow:**

When it comes to a river of lava, it's best to just go with the flow. It hurts less.

**Mine:**

What would Anakin have said if he was German?

You underestimate mine power.

**Crust & Crystal:**

I think we weren't Crystal clear with Furios. Crust take us somewhere nice.
