

Dear Lynette,

Hello sister. I know it's been a while..well, it's been almost 10 years since we last spoke. I thought now would be a good time as any right? Hahah...

We're going to war Lynette. And I don't know if I'll make it back. You and father both said joining the Brotherhood would be the death of me, that I'd regret it. And guess what? You both were wrong even as we are in the midst of a war. You all may have disowned me for joining but that doesn't matter to me. I wanted to say thank you for the small time we had together as siblings.

Give my love to mother, and if you see him be a doll

and punch father in the gut for me. Send hugs and kisses to my 4 nieces and 1 nephew you provided me. And above all give the pendant I have enclosed in this to Ash, our little brother. I trust you to do all this because you were the oldest of us three.

That's all I can think of for now, have a good life out there and...if I don't make it back. Know that I love you.

-Love
