

*Dear Morra,*

*I know things are difficult right now and it's going to take time to adjust to your new life. Just know your father and Tane will take good care of you.*

*Please know that I'm not going anywhere and that everything will be okay. War has just begun and I must fulfill my duty, fighting for what's right, keeping everyone, including you, safe.*

*I love you,*

*Mom.*

*P.S. Eevie found this letter and wanted you to know she misses you very very much and that she can't wait to show you how to pilot a ship...*
