

Telaris "Mav" Cantor

Grand Master

[Grey Force Disciple] [Scoundrel]

Male Human Skeleton, Right Handed

Height: 1.9 m / 6'3" - Weight: 90.0 kg / 198 lbs

Physical Description		Loadout Equipment / Weapons
<p>Because of his treachery against the Dark Brotherhood in the GJW XIII, Telaris was belittled to nothing but a pile of bones by the angry Krath adherents of Arcona. He appears very pale without skin. His eyes tend to glint a tinge of blue, unless that's just the retinas in his skull showing. His teeth are perfectly aligned and are always displayed in an evil sort of smile.</p>		<ul style="list-style-type: none"> * 1x Gasterblaster * 1x Golden Lightsaber * 1x Trombone
General Aspects		
<p>I'm Already Dead, What do I care? Due to his peculiar circumstance, Telaris has become rather care free. At times when he would have been anxious or angry in the past, Telaris simply doesn't give a rat's ass now. This results in very stupid and dangerous decisions made by himself and those around him.</p>		<p>Permanently Retired Now that Mav is dead, he simply does not put in an effort to do much of anything. He prefers to keep his load to the weight of a ton -- a SKELE-TON. His new outlook on the afterlife causes him to be very slothful and comedic about everything; Kinda like Dirty Grandpa.</p>
Personality Aspects		
<p>Kids Like You Should Burn in Hell Because Telaris is living his "life" to the "fullest", he has zero tolerance for children. He doesn't like to be around them, or even see them. This usually is a huge turn off for any romantic female partners that come his way, and usually ends up with him being fatally alone.</p>		<p>Take What's Given to You Telaris is not afraid to take advantage of people, and usually instructs others to be the same way too. He has little care for hurting peoples' feelings with his actions. Because of this, he doesn't have many friends.</p>
Combat Aspects		
<p>Question Me, You're Going to Have a Bad Time! Despite his care-free attitude, Telaris hates when his motive or actions are questioned. He prefers to live life unhinged and free from consequence. When someone questions him, it usually results in their desecration.</p>		<p>It's Not Gonna Be Your Turn, EVER. When in battle, Telaris doesn't give anybody a chance to attack. He absolutely overwhelms combatants with fiery speed. However, this stamina and speed does run out eventually. When it does finally run out, he grows extremely weak.</p>
