

Hyperlanes, take me home

Poem by

Battlelord Takagari "DarkHawk" KogaRyu

#264

(Red Italics – Original score)

(Black – Revised score)

*Almost heaven, West Virginia*

The shores of Pandemonium, beautiful Aeotheran

*Blue Ridge Mountains, Shenandoah River*

Bastion mountains, Aeotheran blue waters

*Life is old there, older than the trees*

History unrevealing, secrets that still sleep

*Younger than the mountains, growing like a breeze*

The Ombi lineage, screams to be revealed

*Country roads, take me home*

Lightspeed highways, guide me home

*To the place I belong*

Sang Karash beauty, reflecting in my eyes

*West Virginia, mountain mama*

Aeothoran beauty, always calling to me

*Take me home, country roads*

Bring us home, hyperspace routes

*All my memories gather 'round her*

Star of Ombus, life-giving crystal

*Miner's lady, stranger to blue water*

Mining operations, offering us your prize

*Dark and dusty, painted on the sky*

Majestic colors you paint across your skies

*Misty taste of moonshine, teardrop in my eye*

Your cooling rains, sustenance of life

*Country roads, take me home*

Lightspeed highways, guide me home

*To the place I belong*

Sang Karash beauty, reflecting in my eyes

*West Virginia, mountain mama*

Aeothoran beauty, always calling to me

*Take me home, country roads*

Bring us home, hyperspace routes

*I hear her voice, in the morning hour she calls me*

No matter the distance, we hear her voice a calling

*The radio reminds me of my home far away*

Holoprojectors reminds us of our home

*Driving down the road, I get a feeling*

Making the jump through space brings us closer

*That I should have been home yesterday, yesterday*

Drawing us nearer, we should have stayed with you

*Country roads, take me home*

Lightspeed highways, guide me home

*To the place I belong*

Sang Karash beauty, reflecting in my eyes

*West Virginia, mountain mama*

Aeothoran beauty, always calling to me

*Take me home, country roads*

Bring us home, hyperspace routes

*Country roads, take me home*

Lightspeed highways, guide me home

*To the place I belong*

Sang Karash beauty, reflecting in my eyes

*West Virginia, mountain mama*

Aeothoran beauty,

*Take me home, country roads*

Bring us home, hyperspace routes

*Take me home, down country roads*

Lightspeed highways, guide me home

*Take me home, down country roads*

Sang Karash beauty, reflecting in my eyes
