

A Moment of Reflection

Redemption & Honor Event

By Takagari "DarkHwk" KogaRyu #264

THE FORCE

Your existence, a spectre of raw emotions

Felt by only by the chosen few

Sense our enemies feelings

It starts with their Fear

THE CLAN

We are bound by tradition

War will meet us at our doors

Worry not brothers & Sisters

Naga Sadow will keep you safe

WAR

Blood flows from victims wounds

Thick and wet, staining the ground

Desperately clutching to life
