

GREAT JEDI WAR XVI

TEAM ACKBAR'S REVENGE

MULTIMEDIA - BATTLE PLAN CLAN ODAN-URR

PLANNING, TACTICS AND PREPARATION:
ESSIK LYCCANE [14571]
TAKOTA OKAMI [146]

GRAPHICS AND PRESENTATION:
A'LORA KITURI [12049]
V'YR VORSA [6463]

THE ARX SYSTEM IS UNDER ATTACK FROM COLLECTIVE FORCES. THE GRAND MASTER HAS ONCE AGAIN CALLED UPON DDAN-URR TO DEFEND HIS HOLDINGS.

SITUATION:

BATTLE GROUP ELYSIUM IS SURROUNDING THE PRIMARY SHADOW ACADEMY STATION, NESOLAT, IN THE ARX SYSTEM. IT IS SITUATED ABOVE THE ARX CONTINENT OF USKIL.

NESOLAT PLATFORM

PLANET ARX

ARX MINOR

TACTICAL OVERVIEW: RULES OF ENGAGEMENT (ROE)

ODAN-URR FLEET COMMAND - TACTICAL RISK AND THREAT ASSESSMENT

HIGH PRIORITY: PRESERVATION OF ARX INFRASTRUCTURE AND BROTHERHOOD ASSETS.

MEDIUM PRIORITY: DESTRUCTION OF COLLECTIVE MILITARY ASSETS.

LOW PRIORITY: PRESERVATION OF COLLECTIVE LIVES AND MATERIEL.

GENERAL ROE DIRECTIVE:

ANY VESSELS OR INDIVIDUALS THAT PRESENT HOSTILE INTENT ARE TO BE ENGAGED AND DISABLED OR DESTROYED. ALL UNITS ARE CLEAR TO ENGAGE ALL TARGETS OF OPPORTUNITY AND THREATS WITHOUT CONFIRMATION FROM COMMANDERS. PRIORITY IS GIVEN TO THE PRESERVATION OF NESOLAT STATION.

NAVAL ROE DIRECTIVE:

ANY VESSELS SHOWING THEMSELVES TO SURRENDER TO ODAN-URR FORCES ARE TO BE DISABLED AND PREVENTED FROM CONTINUING FIGHTING. THEY WILL BE HELD FOR INFORMATION GATHERING AND THE RETRIEVAL OF EQUIPMENT.

GROUND FORCES ROE DIRECTIVE:

ELIMINATE ALL LOCAL THREATS TO ARX POPULATION, BY ANY MEANS DEEMED NECESSARY. NEUTRAL AND CIVILIAN PARTIES ARE TO BE PROTECTED AND DEFENDED IF POSSIBLE. SURRENDER OF COLLECTIVE FORCES WILL BE ACCEPTED, PROVIDING THE REMOVAL OF WEAPONS AND DISABILITY OF MEANS TO KEEP FIGHTING IS VIABLE.

ESTIMATED ALLIED CASUALTIES: 8%

ARX SYSTEM ADDITIONAL INFORMATION:

SEAT OF DARK BROTHERHOOD POWER, THE DARK COUNCIL AND THE GRAND MASTER. HEAVILY DEFENDED BY A PLANETARY SHIELD, THE IRON NAVY, PLANETARY DEFENSE FORCES AND TURBOLASER BATTERIES.

RECOMMENDATIONS:

ORBITAL ENGAGEMENTS:

INFLECT HEAVY DAMAGE WITH OPENING STRIKES, DENY THE ENEMY THE ABILITY TO BRING THEIR BEST ASSETS TO BEAR AND ENCOURAGE THEM TO RETREAT.

PRIORITIZE THE REMOVAL OF DREADNOUGHTS, CARRIER, AND FIGHTER DEFENCES. THE REMOVAL OF ANY ONE OF THESE WILL LEAVE THEM VULNERABLE TO ATTACKS.

COLLECTIVE SHIPS OUTNUMBER OUR FORCES. ENGAGE FROM MULTIPLE POSITIONS, AND DENY THEM THE ABILITY TO FOCUS UPON A SINGLE ATTACK GROUP.

THE COLLECTIVE HAVE BEEN FIGHTING FOR HOURS PRIOR TO ARRIVAL. THEIR CREWS WILL BE FATIGUED, THEIR PAYLOADS DEPLETED, AND THEIR FUEL DIMINISHED. THIS WILL LEAVE FIGHTERS HEAVILY RELIANT UPON CARRIER SUPPORT AND ENSURE THE FLEET IS LESS WILLING TO KEEP FIGHTING.

PLANETARY ENGAGEMENTS:

ALLOW FOR THE EASY EVACUATION OF CIVILIAN GROUPS AND NON-MILITARY PERSONNEL. PRESERVE LIVES RATHER THAN THE LOCAL INFRASTRUCTURE. DIVERT ATTENTION OF COLLECTIVE FORCES THROUGH ATTACKS.

USE ORBITAL SUPREMACY AND ASSETS TO WEAKEN LARGER UNITS.

DISABLE AS MANY ENEMY SNUBFIGHTERS AS POSSIBLE PRIOR TO DIRECT ENGAGEMENTS.

UTILISE ATMOSPHERE CAPABLE CAPITAL SHIPS TO ENGAGE AND DESTROY ENEMY TARGETS.

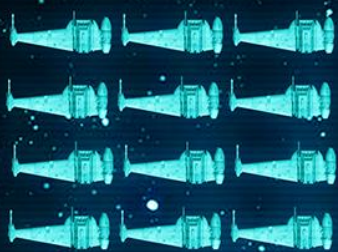

NESOLAT PLATFORM ADDITIONAL INFORMATION:

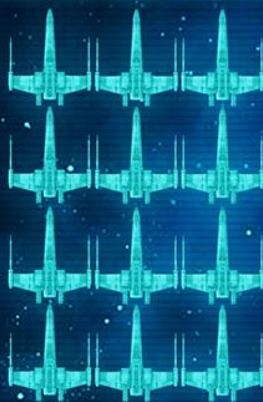

ORBITAL STATION AND EXTENSION OF THE PLANET-SIDE SHADOW ACADEMY. MEDIUM DEFENSIVE CAPABILITY AND SUPPORT FLEET. HOUSES THE MASTER ARCHIVES WITH MANY AND VARIOUS HISTORIC ARTIFACTS.

LET US DISCUSS OUR PLANS ONCE MORE.

WE WILL SPLIT THE FLEET INTO SEVERAL GROUPS. **FIRST ATTACK GROUP**, THE **SOLARI**, THE **IDIOT'S ARRAY** AND THE **CARRACKS**, WILL ENTER FIRST WITH A **SQUADRON OF FIGHTERS** AS A FIGHTER SCREEN. THE FIGHTERS ARE UNDER THEIR OWN POWER DUE TO THE SHIP HANGARS BEING FULL OF ROCKS, ACQUIRED FROM THE KIAS ASTEROID FIELD, SUSPENDED IN RAY SHIELDS.

THEY WILL DEPLOY THE ASTEROIDS FROM THE **IDIOT'S ARRAY AND SOLARI**, WITH A NUMBER OF **Y-WINGS** AND **B-WINGS** DOCKING ONTO EACH ONE, WHILE THE **CARRACKS** PULL THEM WITH TRACTOR BEAMS. MEANWHILE THE **SOLARI** MOVES INTO LONG RANGE ENGAGEMENT WHILE THE **IDIOT** JUMPS OUT.

THE SHIPS SLINGSHOT ABOUT **ARX MINOR** FOR INCREASED SPEED TO INITIATE THEIR ATTACK.

THE **ENEMY FLEET** DISPATCHES SHIPS TO ENGAGE THE **SOLARI**. THE **CARRACKS** REMAIN BACK OUTSIDE OF SENSOR RANGE. THEY FIRE THE ROCKS TOWARD THE ENEMY FLEET, SLINGING THEM FORWARD VIA TRACTOR BEAMS.

THE DIRECTION OF THIS ATTACK IS ASSISTED BY INFORMATION RELAYED FROM THE **SOLARI**, AND THEY ARE FIRED ON AN INTERCEPTION COURSE WITH THE LARGER VESSELS - CROSSING THE "T" AS IT WERE.

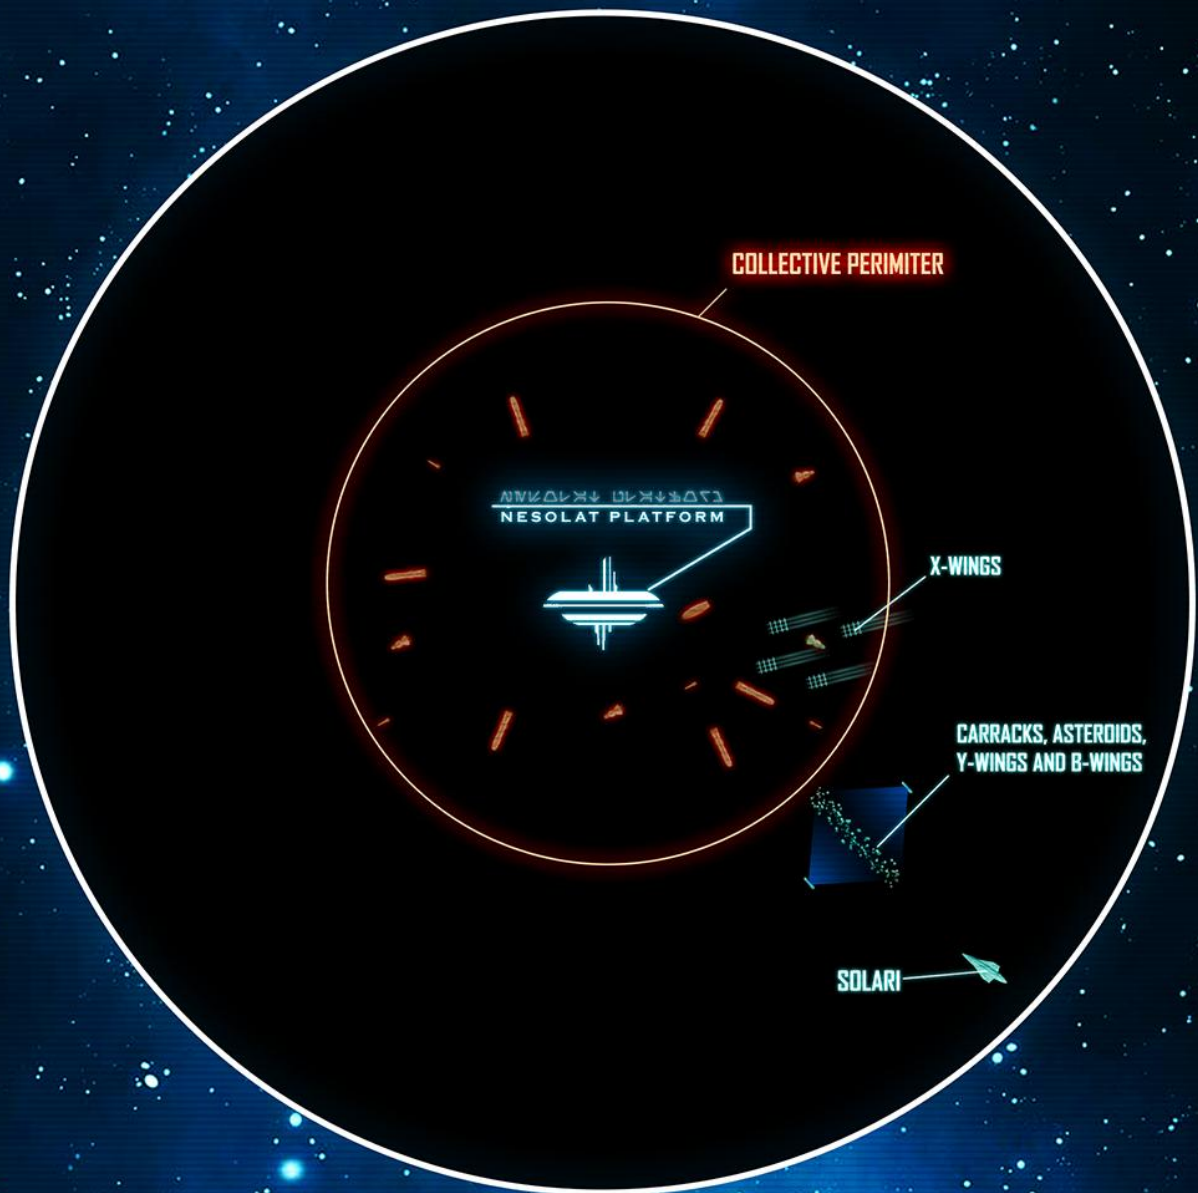

AS THE ROCKS APPROACH, A FLIGHT OF **X-WINGS** WILL EMERGE AND MOVE TO ENGAGE THE SHIPS FROM THE OTHER SIDE.

THIS IS A DOUBLE FEINT, AS **Y-WINGS** AND **B-WINGS** DETACH FROM THE ROCKS, USE THEM AS COVER, AND THEN BOMBARD THE ENEMY SHIPS IN AN ATTACK RUN. THIS SHOULD DISABLE SEVERAL DREADNOUGHTS, DESTROYING THEM IF THE ROCKS IMPACT. THE Y-WINGS THEN USE THE CHAOS TO WITHDRAW WHILE THE **X-WINGS** PROVIDE COVER. THIS IS A VARIATION OF TACTICS **DBI-WAN KENOBI DEVELOPED**, AND THE **THRAWN CATAPULT**.

THE BOMBERS SHOULD USE ION TORPEDOES, AS THIS WILL HEAVILY AFFECT THE HIGHLY AUTOMATED COLLECTIVE VESSELS.

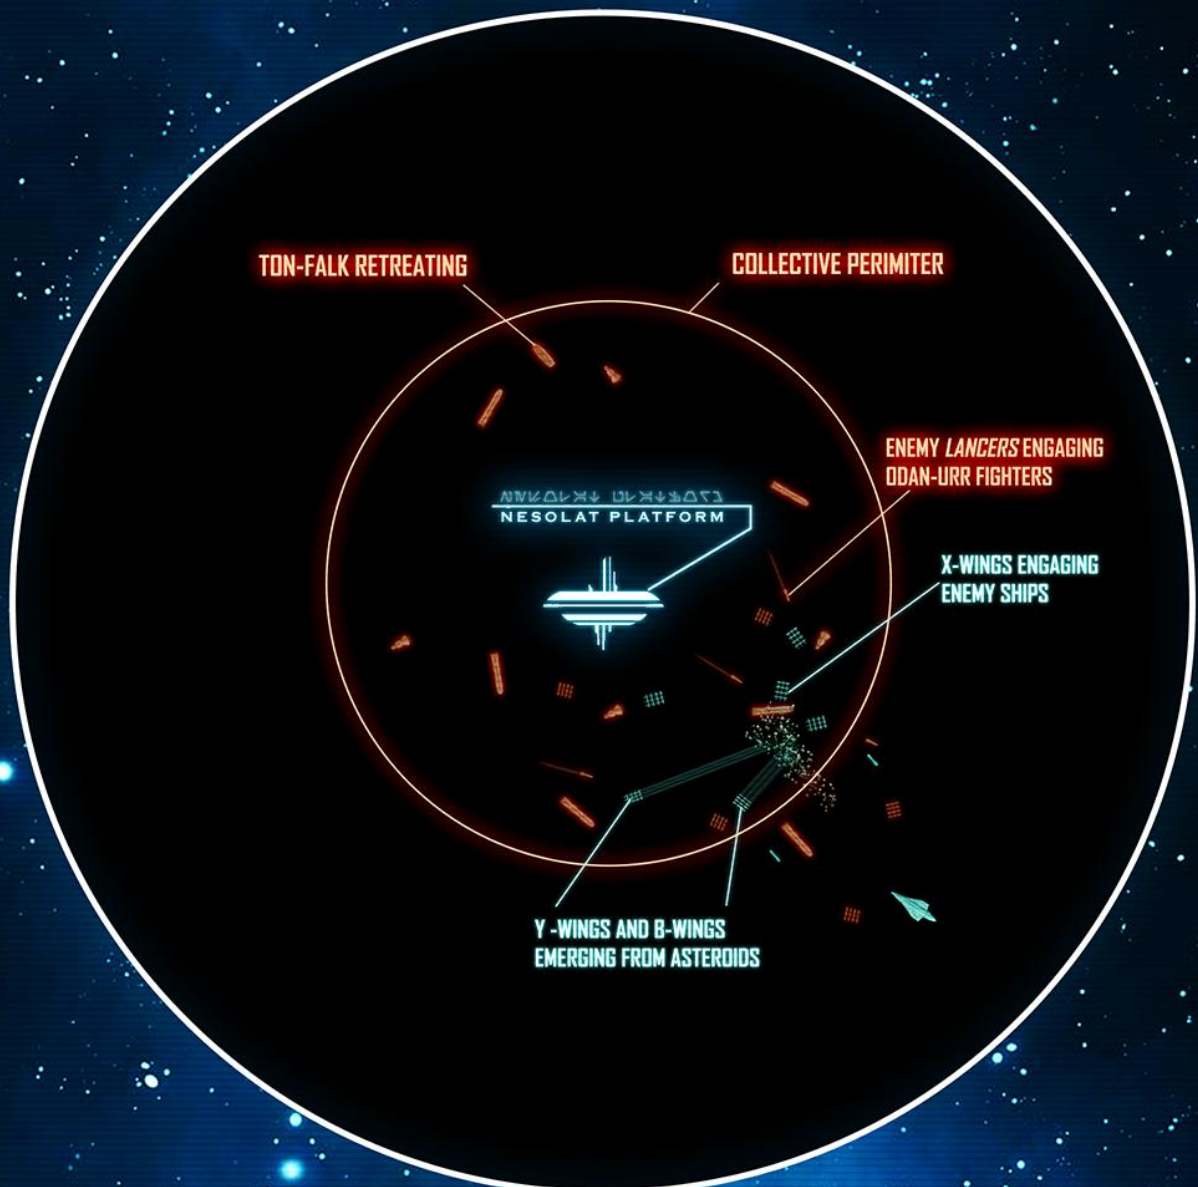

ONCE THE *SOLARI* AND ITS SHIPS ARRIVE, THE COLLECTIVE'S *TON FALK CARRIER* WILL LIKELY WITHDRAW TO A SAFE DISTANCE FROM THE BATTLE. IT WILL BE KEPT CLEAR FROM THE FIGHTING.

THE FIGHTER SCREEN SURROUNDING THE *SOLARI* WILL LIKELY DRAW AWAY THE ENEMY *LANCERS* AND THEIR FIGHTERS MOST READY FOR COMBAT.

THE COLLECTIVE FIGHTERS HAVE BEEN IN BATTLE FOR SEVERAL HOURS, EXPENDING FUEL AND ORDINANCE. THIS WILL LEAVE THEM VULNERABLE TO ATTACKS.

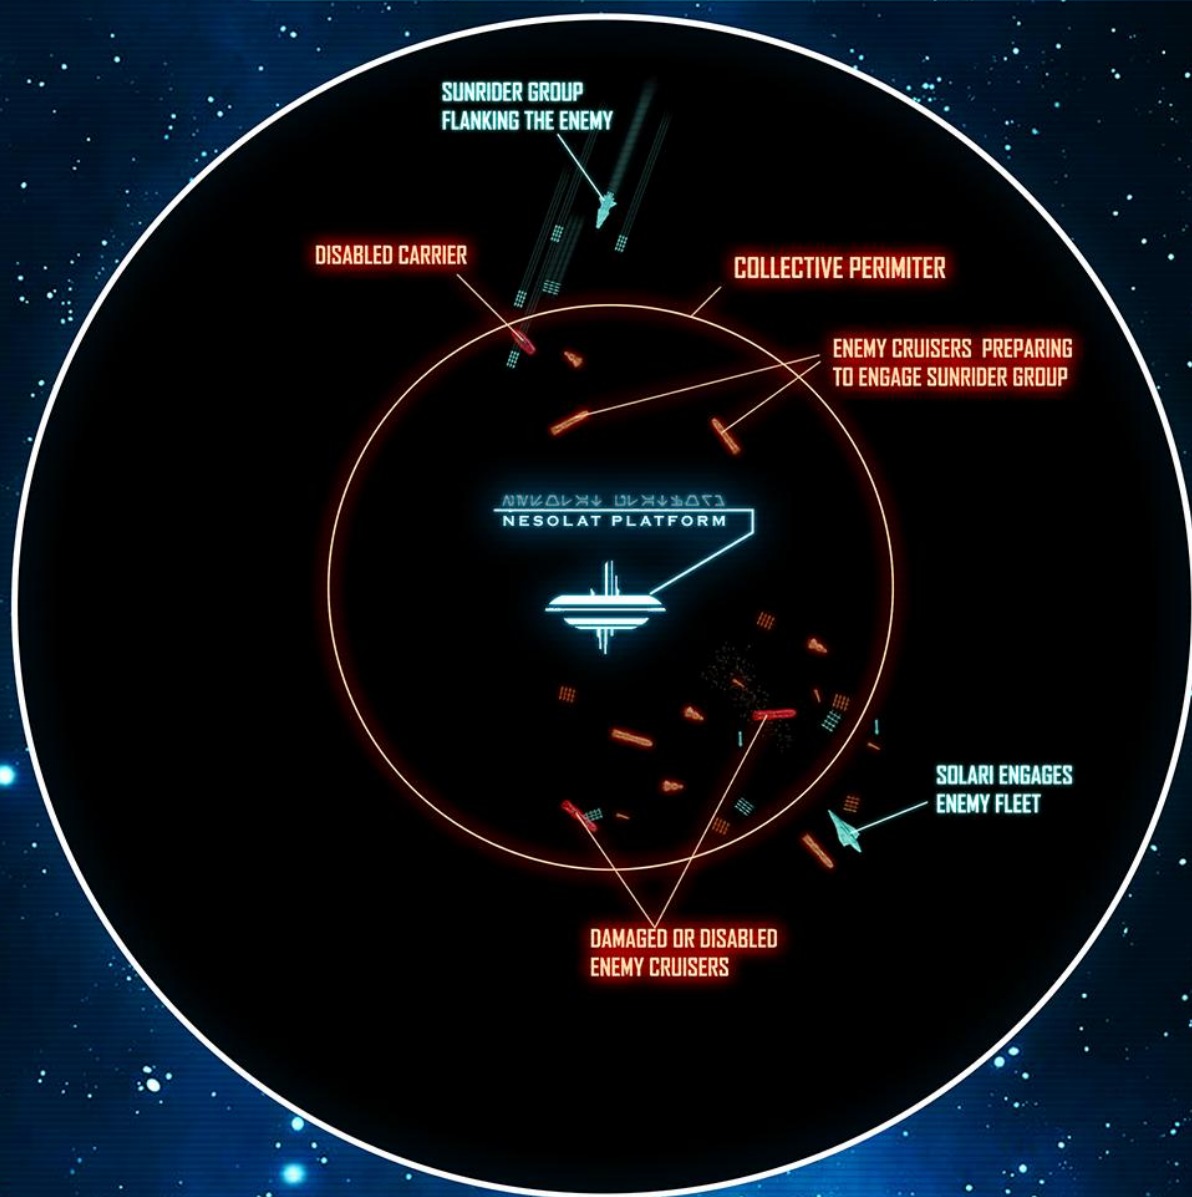

THE REMAINING **B-WINGS**, ESCORTED BY **A-WINGS**, WILL EMERGE FROM HYPERSPACE CLOSE TO THE CARRIER'S LOCATION AND INITIATE THREE ATTACK RUNS TO DESTROY ITS SHIELDS, ENGINES, AND BRIDGE. WITH THE **CARRIER** DISABLED IT WILL NOT SUPPORT **THEIR FIGHTERS** FOR THE REMAINDER OF THE BATTLE, LEAVING THEM AT A DISADVANTAGE AGAINST OUR SHIPS.

THE SUNRIDER WILL EMERGE CLOSE TO THE FIGHTERS ATTACKING THE ENEMY **CARRIER**. THIS WILL PERMIT THEM TO HAVE AN EASY PLACE TO REARM AND REFUEL, WHILE ITS POINT-DEFENCE GUNS PROVIDE PROTECTION AGAINST FIGHTERS ATTEMPTING REVENGE ATTACKS.

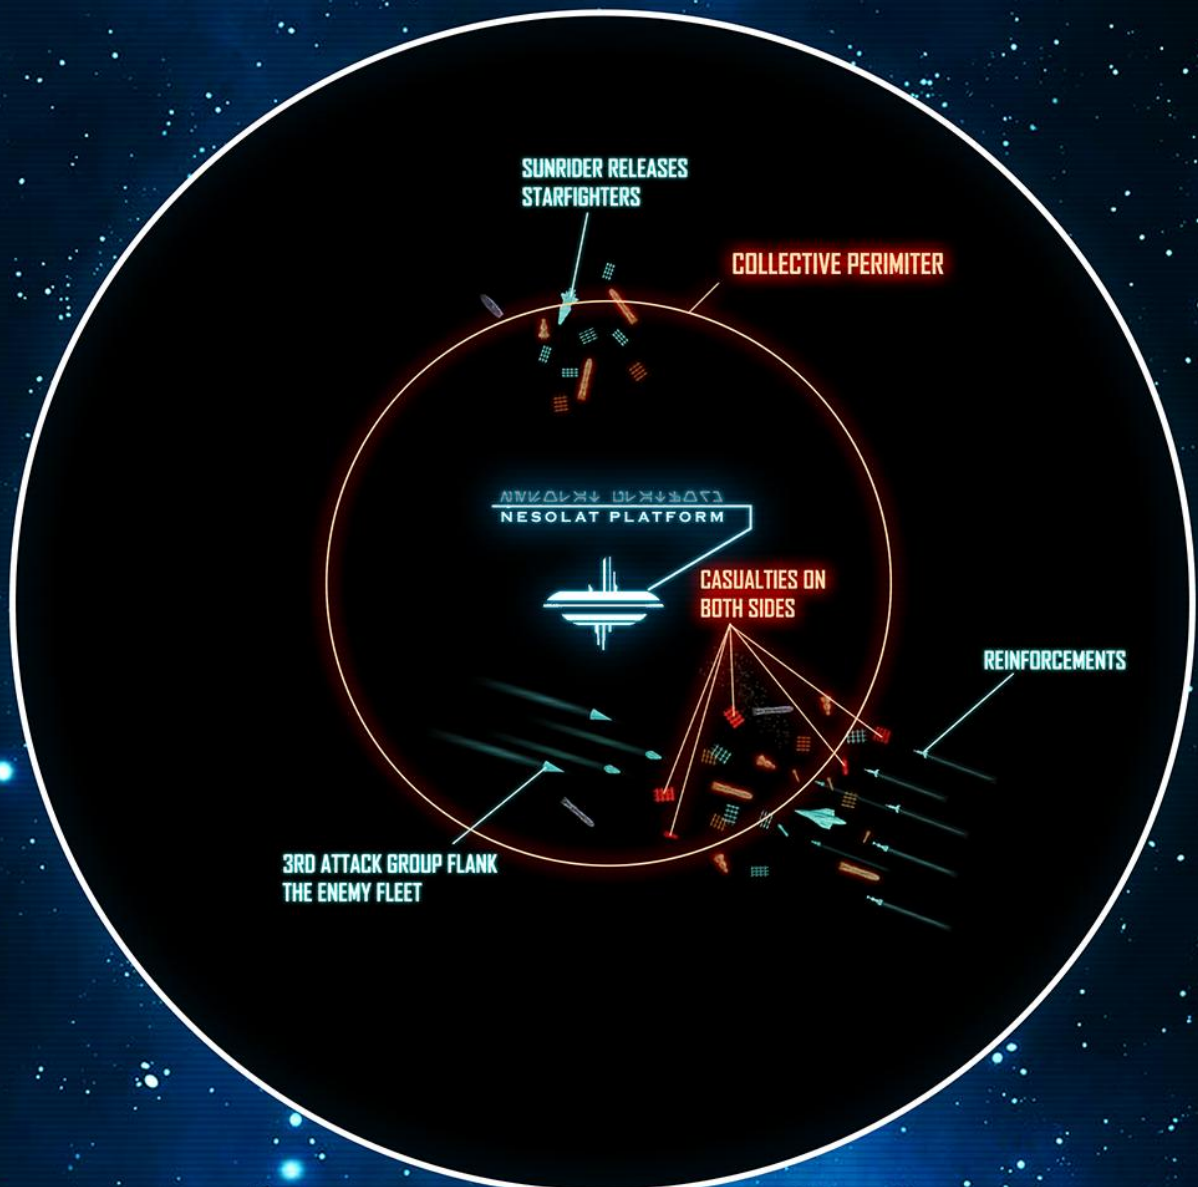

WITH A NUMBER OF THEIR **HEAVIER SHIPS** ALREADY DISABLED BY THE OPENING STRIKE, THE COLLECTIVE WILL STRUGGLE TO COUNTER ATTACKS FROM TWO DIRECTIONS.

DEPENDING UPON THE SUCCESS OF THIS ATTACK AND THE COLLECTIVE'S RESPONSE TO IT, ALL REMAINING REINFORCEMENTS WILL MOVE IN TO INITIATE THEIR ATTACKS. THE **VINDICATORS** AND **MC40A CRUISERS** - **VALIANT**, **TANO**, **ROHLAN**, AND **SEHER** - WILL ENGAGE ON THE ENEMY'S FLANK.

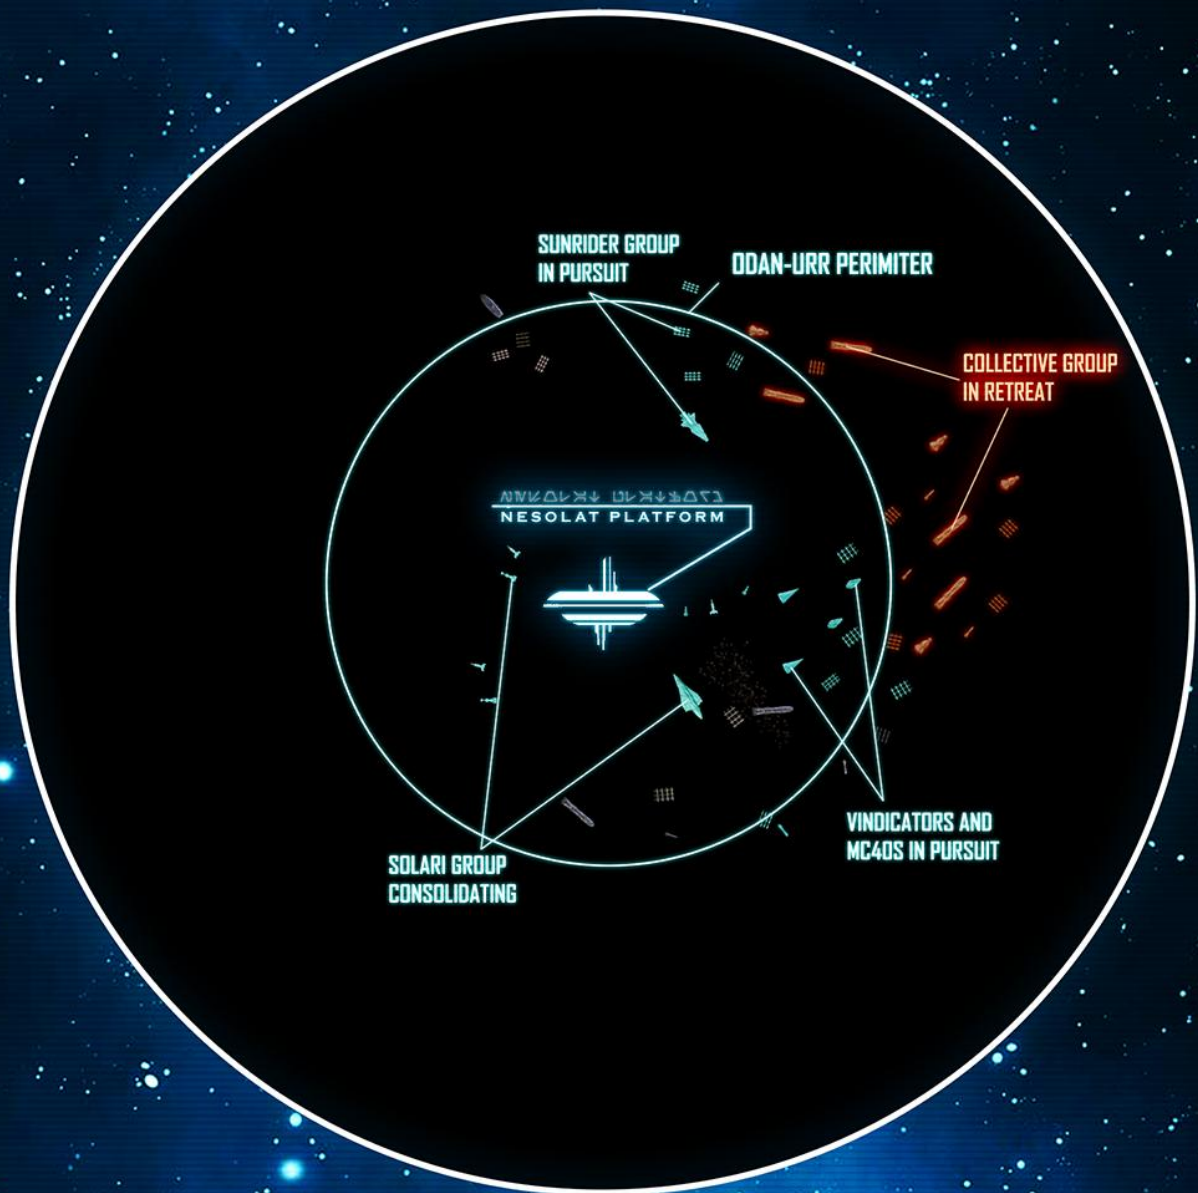

THE **CARRACKS** WILL RETURN TO ESCORT THE **SOLARI** AND DEFEND IT AGAINST SMALLER ATTACK CRUISERS. GIVEN THEIR ABILITY TO PUNCH UP ABOVE THEIR WEIGHT, THIS WILL CAUSE THE **COLLECTIVE** SOME TROUBLE. THEY WILL BE JOINED BY THE **DP20 GUNSHIPS**, **BASTION** AND **GUARDIAN**. ALL REMAINING VESSELS - THE **CHARGERS** AND **CR90 CORVETTES** - WILL EMERGE FROM HYPERSPACE ABOUT THE **SOLARI**.

THE ATTACK WILL FORCE THE **COLLECTIVE** TO BE ENGAGED FROM MULTIPLE SIDES, PREVENTING THEM FROM CONCENTRATING THEIR SHIELDS AGAINST A SINGLE ANGLE OF ATTACK. THE COLLECTIVE'S DESIGNS ALREADY SUFFER FROM WEAKNESSES IN POWER DISTRIBUTION, MEANING THAT THEY CAN'T SUSTAIN SHIELDS AND FULL WEAPONS FIRE BECAUSE THEIR REACTORS OVERLOAD. THIS WILL FORCE THEM INTO RETREAT OR TO REMAIN AND SUFFER MOUNTING CASUALTIES IN THE FACE OF OUR ATTACK.

THE **VINDICATORS**, **MC40A CRUISERS**, AND THE **SUNRIDER'S GROUP** WILL PURSUE THE COLLECTIVE SHIPS ONCE THEY ARE FORCED INTO RETREAT, WHILE THE SOLARI AND ITS SHIPS MOVE TO SECURE THE AREA ABOUT THE PLATFORM. ONCE THE COLLECTIVE HAVE BEEN DRIVEN OFF, ALL REMAINING VESSELS WILL FORM A DEFENSIVE CORDON ABOUT THE **PLATFORM**, AND PATROL THE AREA TO TURN BACK FURTHER ATTACKS.

CONTINGENCIES:

1. IF THE SUNRIDER OR THIRD GROUP HAS TAKEN TOO MUCH DAMAGE, THE SOLARI AND ITS ESCORTS WILL TAKE THEIR PLACE DURING THE PURSUIT.
2. IF THE FIGHTERS ARE UNABLE TO ENGAGE AND DESTROY THE CARRIER IN THEIR OPENING ATTACK, THE SUNRIDER WILL ARRIVE EARLY TO PROVIDE ADDITIONAL SUPPORT.
3. IF THE ASTEROIDS MISS THEIR TARGETS - OR THEY ARE DESTROYED WITH THEIR COMPLEMENT OF BOMBERS - HAVE THE REINFORCEMENTS COME IN EARLY TO PROVIDE ADDITIONAL FIRE SUPPORT. HAVE THE X-WINGS THEN INITIATE ATTACK RUNS.
4. IF THE ENEMY TON-FALK CARRIER MOVES INTO THE ENEMY FORMATION RATHER THAN PULLING AWAY FROM THE BATTLE, THE FIGHTERS WILL FOCUS ON OTHER TARGETS. IT WILL BE TARGETED AND DESTROYED ONCE THE OTHER GROUPS ARRIVE TO SUPPORT THE EFFORT.

THREAT LEVEL: AUREK

20 HEAVY DUAL TURBOLASER CANNONS

4 WARHEAD LAUNCHERS

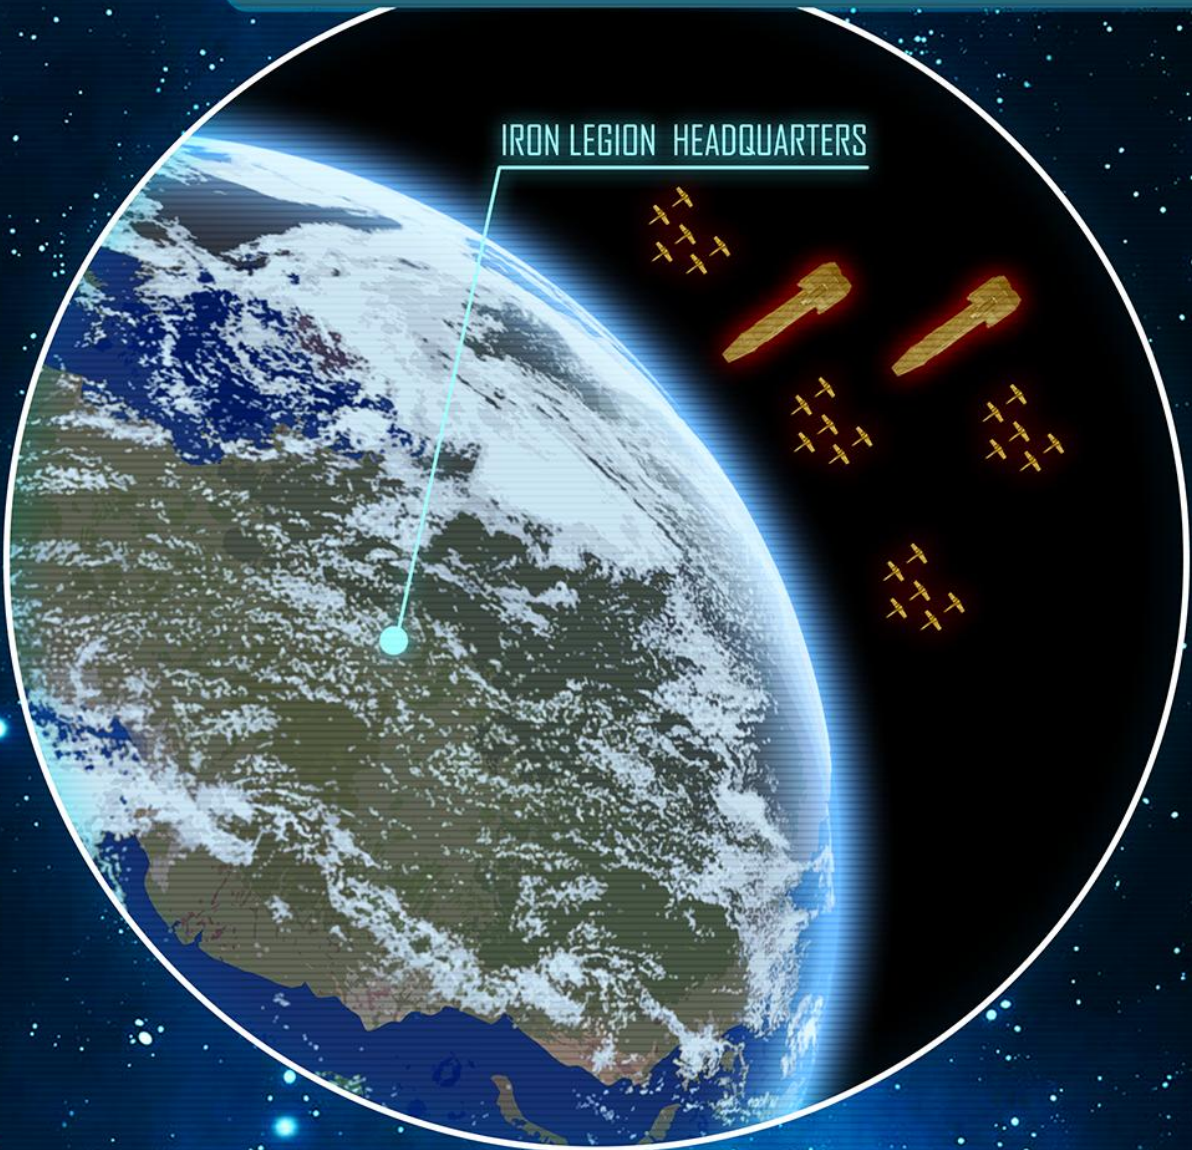

ALARM! ALARM! ALARM!

SITUATION UPDATE:

THE COLLECTIVE HAS DISPATCHED MULTIPLE ENEMY SQUADRONS SUPPORTED BY LANCER FRIGATES TO ATTACK THE IRON LEGION HEADQUARTERS. BREAK THE ATTACK AND ESTABLISH AERIAL SUPERIORITY.

PRE-COMBAT PREPARATIONS:

ALL REMAINING FIGHTERS WILL DOCK WITH HANGAR-EQUIPPED SHIPS TO REPAIR, RE-ARM, AND PREPARE FOR THE NEXT STAGE OF BATTLE. MAKE MINOR REPAIRS TO LARGER VESSELS IN THE SHORT BREAK IN COMBAT.

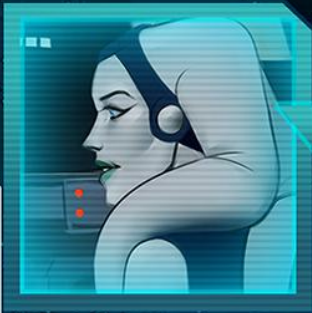

THE **SOLARI** WILL ESTABLISH ITSELF OVER THE PLANET WHILE THE **VINDICATORS** WILL FORM UP FOR A PLANETARY ASSAULT. ALL REMAINING **FRIGATES AND FIGHTERS** WILL FORM A DEFENSIVE SCREEN IN FRONT OF THE CAPITAL SHIPS AS THEY ENTER THE ATMOSPHERE, MOVING AT FULL ATTACK SPEED. **NIGHTINGALES, HAWK-BAT, AND BLUE SQUADRONS** WILL DOCK WITH THE SUNRIDER AND AWAIT COMBAT LAUNCH.

THE SENSOR INFORMATION FROM THE **VINDICATORS** WILL BE RELAYED TO THE **SOLARI AND SUNRIDER**, OFFERING DETAILS ON THE DISPOSITION OF ENEMY WARSHIPS AND PLACEMENT OF SQUADRONS. BOTH ORBITING SHIPS WILL THEN OPEN FIRE ON THE ENEMY **LANGER FRIGATES**, DESTROYING THEM IN CONCENTRATED BOMBARDMENTS. THE **FRIGATES** WERE NOT DESIGNED TO WORK WITHIN AN ATMOSPHERE, SO THEY WILL BE SLUGGISH TO RESPOND. COMBINED WITH THEIR WEAK DEFENSES, THEY SHOULD BE SWIFTLY DESTROYED.

THE MASS OF INCOMING SHIPS WILL DRAW THE ATTENTION OF **ENEMY FIGHTERS**. **VINDICTORS** HAVE LIMITED ABILITY IN ATMOSPHERE AND ARE LARGELY UNTESTED. THIS WILL MAKE THEM A TEMPTING TARGET FOR BOTH THE **BOMBER SQUADRONS** AND **SUICIDE SHIPS**. THE DEFENSIVE SCREEN WILL SCATTER, MOVING TO ENGAGE THE ENEMY SQUADRONS BEFORE THEY CAN FULLY REACT TO THEIR ARRIVAL. THE **T-70 X-WINGS** AND **B-WING SQUADRONS** ARE PRIORITY, WITH THE **QUADRIJETS** DESIGNATED A SECONDARY TARGET.

THEIR PUSH FORWARD WILL SEEMINGLY LEAVE THE **VINDICTORS** OPEN TO ATTACK, HOPEFULLY TEMPTING THE COLLECTIVE PILOTS NOT DIRECTLY ENGAGED TO INITIATE ATTACK RUNS. THIS WILL ALLOW THE **VINDICTORS** TO THIN THEIR NUMBERS WITH THEIR POINT-DEFENCE GRIDS, AND LAY DOWN SUPPORTING FIRE TO BREAK UP MASSES OF ENEMY SHIPS. ONCE THIS INITIAL STRIKE HAS BEEN MADE, THE **SUNRIDER** WILL PREPARE TO HYPERSPACE JUMP INTO THE ATMOSPHERE.

THE **SUNRIDER** WILL MICROJUMP INTO THE UPPER ATMOSPHERE AND DESCEND INTO THE BATTLE, MANEUVERING SO BEST TO ADD ITS FIREPOWER TO THE **VINDICATORS**. ITS PRESENCE WILL FORCE THE **ENEMY FIGHTERS** TO BE CAUGHT IN A CONSTANT BARRAGE FROM POINT-DEFENCE GRIDS. THE SAME TIME, THE **SUNRIDER'S A-WINGS** WILL JOIN THE BATTLE, TARGETING AND DESTROYING THE SQUADRONS DESIGNATED THE GREATEST THREAT. THIS WILL CONTINUE UNTIL THE FIGHTERS HAVE BEEN DESTROYED, AT WHICH POINT THE **SUNRIDER** AND REMAINING SHIPS WILL WORK TO DENY ENEMY AIRBORNE SUPREMACY OVER THE REGION. THE SHIPS WILL BEGIN LONG RANGE BOMBARDMENTS OF ANY LANDING ZONES FOR **COLLECTIVE GROUND FORCES**.

WITH THEIR TASK COMPLETE AND NO FURTHER ROLE TO PLAY IN THE BATTLE, THE **SOLARI**, **ROHLAN'S VISION**, AND **REMEMBRANCE OF SEHER** WILL RECALL A NUMBER OF THEIR SQUADRONS AND ENTER HYPERSPACE. THEY WILL RETURN TO THE **KIAST SYSTEM** TO HELP DEFEND IT AGAINST POSSIBLE COUNTER-ATTACKS.

CONTINGENCIES:

1. IF THE VINDICATORS HAVE BEEN DESTROYED OR ARE IN NO STATE TO INITIATE THE ATTACK, THE INITIAL ATTACK WAVE WILL BEGIN WITHOUT THEM.
2. IF THE INITIAL ATTACK WAVE SUSTAINS HEAVY LOSSES OR IS BEING OVERWHELMED, THEY WILL INITIATE A HYPERSPACE JUMP OUT OF THE ATMOSPHERE. THE SUNRIDER WILL PERFORM THIS ACTION IF IT IS SIMILARLY OVERRUN. THE ODANITE FLEET WILL THEN INITIATE HIT-AND-RUN ATTACKS OF A SIMILAR NATURE, ENGAGING THE FORCES AND JUMPING OUT TO THIN THEIR NUMBERS.
3. IF THE LANCER-CLASS FRIGATES CANNOT BE TARGETED FROM ORBIT, THEY WILL BE TARGETED AND ENGAGED BY THE VINDICATORS AND SUNRIDER. THEY WILL BE DESTROYED OR DRIVEN AWAY FROM ODANITE FIGHTERS BY THEIR HEAVY GUNS.
4. IF ODANITE LOSSES HAVE BEEN SO SUBSTANTIAL AMONG FIGHTERS OR OTHER SHIPS THAT THIS ATTACK CANNOT BE SUSTAINED, ALL REMAINING SHIPS ARE TO MAKE A SATURATED BOMBARDMENT OVER THE AREA. THEY ARE TO AVOID TARGETING SHIPS OVER URBAN LOCATIONS, BUT TO ANNIHILATE AS MANY COLLECTIVE SHIPS AS POSSIBLE IN THE ATTACK. THIS WILL WEAKEN THEM ENOUGH FOR THE BROTHERHOOD TO HOPEFULLY GAIN THE UPPER HAND.
