

### **This Deal Is Getting Worse All The Time! (Personality Aspect)**

Despite the suave, perhaps even cocky demeanour that he presents as a front, this is without a doubt a man that is able to keep his cool when faced with certain doom. Lando Calrissian is many things. A gambler, a scoundrel, and businessman at heart and knows a good opportunity when he sees it. He is cunning and is always thinking two steps ahead to get what he wants.

And thanks to his unwavering *Resolve* he is able to keep calm and collected when the deal gets tough and he has no choice but to comply.

Now if only he could prevent himself from getting into these situations in the first place...
