

Star'Kes Shoot and Surf

Star'Kes Shoot and surf offers people the ultimate in blaster and board experiences, combining two great experiences into one amazing package.

Shoot and surf offers both indoor and outdoor blaster ranges, sited within traditional local beach hut style buildings and within the local jungle environment. Each range features a wide variety of blasters to experience, from the famous E-11 to the more ubiquitous DL-44.

In addition to its standard indoor ranges, Shoot and Surf offers its Famous Board and Blaster Experience. Situated on the luxurious coastline, Shoot and Surf has access to miles of glorious surfing water as well as the most beautiful and crisp oceans you will find. Board and Blaster offers the thrill seeker the unique experience of hover or traditional boarding while engaging a variety of targets in our purpose build Shoot and Surf range, an experience available nowhere else.

Star'Kes Shoot and Surf can be easily found in the Beach District, look for the large signs and the sounds of holiday makers have a blasting time.

Shoot and Surf is a complex of traditional but gaudy beach buildings, built onto the edge of the jungle and flowing out into the beach area. The visitor is greeted by a large hut where they will be offered a variety of options from simple blaster range access to the famous Board and Blaster experience. Once inside, the compound has everything a visitor needs from changing rooms and showers to gift shops and restaurants. Clientele have access to three miles of pristine beaches as well as the associated water, apart from the areas that are sectioned off for the Board and Blaster experience. The Blaster ranges are closely monitored and the weapons have interlocks fitted to them to prevent any wana be idiots from going on a spree. All bags are checked on entry and exit to make sure weapons don't enter or leave the establishment.
