

# *Dashing Through Ol'Val*

*(To the tune of Jingle Bells)*

*Dashing through Ol'Val!  
Without the light of day,  
Through the ducts we fall,  
Hoping all the way!*

*'Laisy's heels click,  
Filling souls with fright,  
Fighting, searching, running quick,  
A slaying song tonight!*

*Fa-mi-ly, Full and Free,  
What Ohana Means,  
Take our friends and we won't bend,  
We'll fight you to the end!  
Fa-mi-ly, Full and Free,  
What Ohana Means,  
Take our friends and we won't bend,  
We'll fight you to the end!*
