

**ACC Venue: [Scenario] Garganta Galleria Casino Hotel: Huttmania is running wild!**

A submission created by Appius "Zappius" Wight of the *Expansionists*

Can you smell what "The Rock" is cooking? If so, give him a hell yeah! Dandora is ripe for illegal, criminal, and shady underground dealings which all turn to the old classic of violence connoisseurs across the galaxy; Deathmatches.

Located underneath the Garganta Galleria Casino Hotel is a humid, wretched, stench-filled squalor wide enough to fit a small stadium. As was its purpose. Bright spotlights illuminate a perfectly squared wrestling ring in the middle whilst rows of seats pile up to the basement ceiling for those to witness. A titantron is displayed past a small ramp to the ring, which displays video packages of the wrestler's incoming bout. Speakers on either side play entrance music, fully completing the 'Sports Entertainment' extravaganza.

Memorable matches have taken place here. Including Da'wain "The Rock" Jhonsson versus "Stone Cold" Stav Ustan for the Galactic Wrestling Federation Title.

Bert "The Hitman" Hart versus Shaun Mickels in a legendary "Iron Chiss Match".

Or "The Fundertaker" versus "Kiffkind" in a "Forcefield in a Warfield" match.

You are next to add your name to the list of legends along with your opponent. Maybe you have a dispute you need to settle between your Clan's? Maybe your opponent has the title you want? Or maybe they called you Bob when your name is Billy...

**IT DOESN'T MATTER WHAT YOUR NAME IS!**

All that matters is that it's you versus your opponent in a match to the death, all for the amusement of Py'zah the Hutt and loyal, bloodthirsty crowd egging on your every move. How will you survive Huttmania?
