Oh a Jedi clad in robes was found dead one evening fair
And one could tell by how he laid that he'd been shot more than his share
He'd fumbled round until he could no longer keep his feet
He crumbled to the ground to die beside his friends

Pew pew bang bang buzz buzz
Pew pew bang bang buzz buzz
He crumbled to the ground to die beside his friends.

About that time two Tenexier just happened by
And one looked to the other with a twinkle in their eye
"Do you see that Jedi so full of holes? I wonder if he's been rolled already"

Pew pew bang bang buzz buzz
Pew pew bang bang buzz buzz
"Do you see that Jedi so full of holes? I wonder if he's been rolled already"

The crept up to the Jedi's body quiet as could be
They lifted up his robes and gawked at what they saw.
And there behold for them to view beneath the Jedi's robes was nothing more than the Praxeum
gifted him upon his knighthood.

Pew pew bang bang buzz buzz
Pew pew bang bang buzz buzz
Nothing more than the Praxeum gifted him upon his knighthood.

Well they marveled for a moment and one said "we need to get, let's take what we can before
we move along" They searched the body and pocketed everything they found. A Jedi's
weapon's worth a fair pile of credits

Pew pew bang bang buzz buzz
Pew pew bang bang buzz buzz
They pocketed everything they found.

The Tenexir continued down the battlefield, talking bout what they'd found.
Didn't take long before they were spotted and shot down like the dogs they were.
A Principate soldier crept up to the corpses and rolled them for all their worth.
Surprised by what they found, they pocketed everything and went on their way.

Pew pew bang bang buzz buzz
Pew pew bang bang buzz buzz

Surprised by what they found, they pocketed everything and went about their way.

Stumbling through the wreckage and corpses, they continued on their way.

Robbing, looting and rolling every body they could find.

Deadmens treasure to be found everywhere

they filled their pockets, pouches and britches along their way.

Coming to another corpse, they were surprised when it moved.

A second later a crimson blade found its way into their belly.

Pew pew bang bang buzz buzz

Pew pew bang bang buzz buzz

A second later a crimson blade found its way into their belly.

And so the Sith rose up and kicked the body for good measure

With a swift boot to the midsection the Jedi's saber rolled free.

A glint in the Sith's eye matched the smile on his lips.

"Now that's quite the prize wouldn't you say?"

Pew pew bang bang buzz buzz

Pew pew bang bang buzz buzz

"Now that's quite the price wouldn't you say?"

Pew pew bang bang buzz buzz

Pew pew bang bang buzz buzz

"Now that's quite the prize wouldn't you say?"
