

Oh, we'll be alright if we invade Kasiya tonight
We'd be alright if we invade Kasiya tonight
We'd be alright if we invade Kasiya tonight
And we'll all save our Clan...

And we'll roll out in AT-ATs tonight
We'll roll out in AT-ATs tonight
We'll roll out in AT-ATs tonight
And we'll all save our Clan!

Oh We'd be alright if we didn't take the blame
We'd be alright if we didn't take the blame
We'd be alright if we didn't take the blame
And we'll all save our Clan.

And we'll roll out in AT-ATs tonight
We'll roll out in AT-ATs tonight
We'll roll out in AT-ATs tonight
And we'll all save our Clan!

Well a night out on the Bastion wouldn't do us any harm
Oh a night on the Bastion wouldn't do us any harm
Oh a night on the Bastion wouldn't do us any harm
And we'll all save our Clan.

A bloody war with Chyron wouldn't do us any harm
Oh a bloody war with Chyron wouldn't do us any harm
Oh a bloody war with Chyron wouldn't do us any harm
And we'll all save our Clan!

And we'll roll out in AT-ATs tonight
We'll roll out in AT-ATs tonight
We'll roll out in AT-ATs tonight
And we'll all save our Clan!

And we'll roll out in AT-ATs tonight
We'll roll out in AT-ATs tonight
We'll roll out in AT-ATs tonight
And we'll all save our Clan!
