Playlist:

1. Traveller's Song - <https://www.youtube.com/watch?v=EZno7ZAR-fM> - Aviators - this song represents Tyga's preparation for his adventure in the icy wilderness, his arrival in Tunca and his initial interactions with those hardy people of the north
2. Out There - <https://www.youtube.com/watch?v=abiFOBNhNJQ> - Risk It All - this song represents Tyga's curious nature and his desire to explore Tunca proper and the initial days on his solo expedition through the tundra and snow
3. Ramble On - <https://www.youtube.com/watch?v=LzGBQerkvWs> - Led Zeppelin - the song continues with Tyga's solo expedition across Tunca's wilderness and his chance encounter with another explorer out in the wilderness and joining them for a few days, sharing experiences and investigating the rumours of what is out there
4. Stronger - <https://www.youtube.com/watch?v=avYxilRG4xQ> - Kelly Clarkson - this song describes Tyga's determination to survive and carry on with the expedition after he suffers several near-death experiences on the ice and then in the forests
5. Homeward Bound - <https://www.youtube.com/watch?v=JKCVAXhVMkY> - Simon & Garfunkel - this song is fitting for Tyga because it shows his relief at the end of his solo expedition as he makes his way back to Zainab and the warmth of his lodging
