

- Former Hutt manual labor slave, physically powerful; liberated by Arconan military
- Joined Arconan armed forces as a foot soldier, later trained in security and medicine
- Equipped with several layers of energy shielding and heavy armor; can withstand heavy injuries
- Always acts defensively when allies are threatened; has lost and replaced limbs in defense of Arconans
- Can be coaxed into reckless behavior without a VIP to protect; reportedly enjoys "a good fight"
- Not to be underestimated; highly lethal melee combatant; prepared to die in battle
- Allegedly can't read; may be a wild rumor or an exploit
