

Item Prototype Name	Ascendant Spear
Example Item Image	
Item Prototype Proposed Rarity	Uncommon
Item Prototype Proposed Cost	900
Item Prototype Description	<p>Since the dawn of civilizations there can be no greater weapon than a sharp object on a stick. Since time immortal this bladed weapon has struck terror into person and beats alike.</p> <p>Following the deadly invasion of the Dark Jedi Brother territories by the Children of Mortis it was apparent that the near indestructible crystals were a weapon of unrival power.</p> <p>While others wasted time researching how to fashion these into a power source or augment existing weapons, the brave Emperor Kamjin “Maverick” Lap’lamiz stuck one on a stick, wrapped it securely with tarred twine, and commenced with the stabbing.</p>
