Target: DarkHawk Sadow

Target Information

- The Shaevalian known as DarkHawk Sadow is currently the Proconsul of Clan Naga Sadow.
- Primary Specialty: assassination, infiltration/extraction, clandestine operations. The Brotherhood commissions his skillset when a specified target(s) requires termination without a trace.
- Secondary Specialty: Knowledge of Neuroscience, Toxicology and Botany
 - Knowledge of Sith Alchemy and Dark Magic Rituals
 - Languages: Basic and Thyrnian confirmed. Others currently unknown
- Combat Aspects
 - CQC Expert: The Shaevalian is adept at hand-to-hand combat. Prefers to overpower opponents with hand-to-hand prowess prior to any weapon use.
 - Athletic ability: DO NOT underestimate the target's size and stature. Athletic ability demonstrates great strength and coordination. Capable of moving his body through a myriad of positions over various terrain to include aerial attacks. "Absolute strength" is expressed by the ability to move most objects or opponents with minimal effort.
 - Archer: Highly adept with Nightsister bow. Witnesses recorded kill shots from nearly 90 meters
 - Silent Killer: Strict adherence to the art of stealth and espionage able to "*Ghost*" in and out of visibility.
 - Dual Blades: Carries long hilted dual sabers which combine into saberstaff. Multiple lightsaber styles mastered and utilized. Primary resembles Juyo, secondary unknown.
 - Melee Combat Specialist: Utilizes a custom electro-staff. Wields weapon separately as two fighting batons. Target moves in close quarters against individual or multiple adversaries. Connected together as a full staff target utilizes both the weapon's range and electrofied capabilities to dispatch adversaries.

RECON INTEL

DarkHawk Sadow was last seen in Old Ord Mantell City by Nightfallers agents. Target dispatched Ranger [Jezora Zosh](#) and multiple [Startouched Researchers](#) during Phase I of Operation Ascension. Out of character, target did not utilize any stealth or concealment. Drew the Ranger out in the open for all to witness. Recon agents expressed the exchange seemed personal, a blatant message to the C.o.M. The Shaevalian is extremely dangerous and is deemed a **HIGH** profile target. **USE EXTREME CAUTION!** Agents will **NOT** engage target unaided.
