

**Character Name:** Caligula the Hutt

**Character Species:** Hutt

**Short Physical Description:** Caligula

**Character Relevance/History to the Clan:** Caligula the Hutt is the ‘teenage’ son of Claudius the Hutt. Claudius the Hutt was a junior member of the Tiure Hutt clan approximately twenty years ago who attempted to meddle in the politics of the Brotherhood. Kamjin “Maverick” Lap’lamiz, through a series of direct and indirect adventures disrupted those plans.

Claudius, left embarrassed and ridiculed by the other Hutts, has never surpassed his junior member status, despite increasing his own wealth. As such, he has come to over compensate by spoiling his huttling and his fantasies.

Caligula the Hutt has grown up on the fantastic stories of the Jedi and Sith. Following the conclusion of the Galactic Civil War and the lifting of the ban on the topic of the Force the galaxy exploded with holovids, holonovels, news reports, lectures, and more and a whole new generation was exposed to the millenia stretching battle between the Jedi and the Sith.

Claudius, refusing to disappoint his son, has wasted the fortunes of whole planets acquiring artifacts for Caligula to believe that he is a Jedi (or Sith depending on his mood for the day). From robes, equipment, lightsabers, and Ascendant technology Caligula lives as a happy Hutt believing himself to be Force Sensitive.

Unfortunately, Claudius’s funds have started to run low and he’s looking for other opportunities to sate his son’s passions.
